

Harbor 1000

Smart Deposit Safe

INTENDED FOR SMALL AMOUNT OF CASH AT THE POS

Paythings Harbor 1000 Smart Deposit safe is intended for applications in retail where small amounts of cash (<1000 bills) need to be secured. The ideal application is at the Point of Sales where larger bills can be deposited directly into the smart safe during transactions for validation.

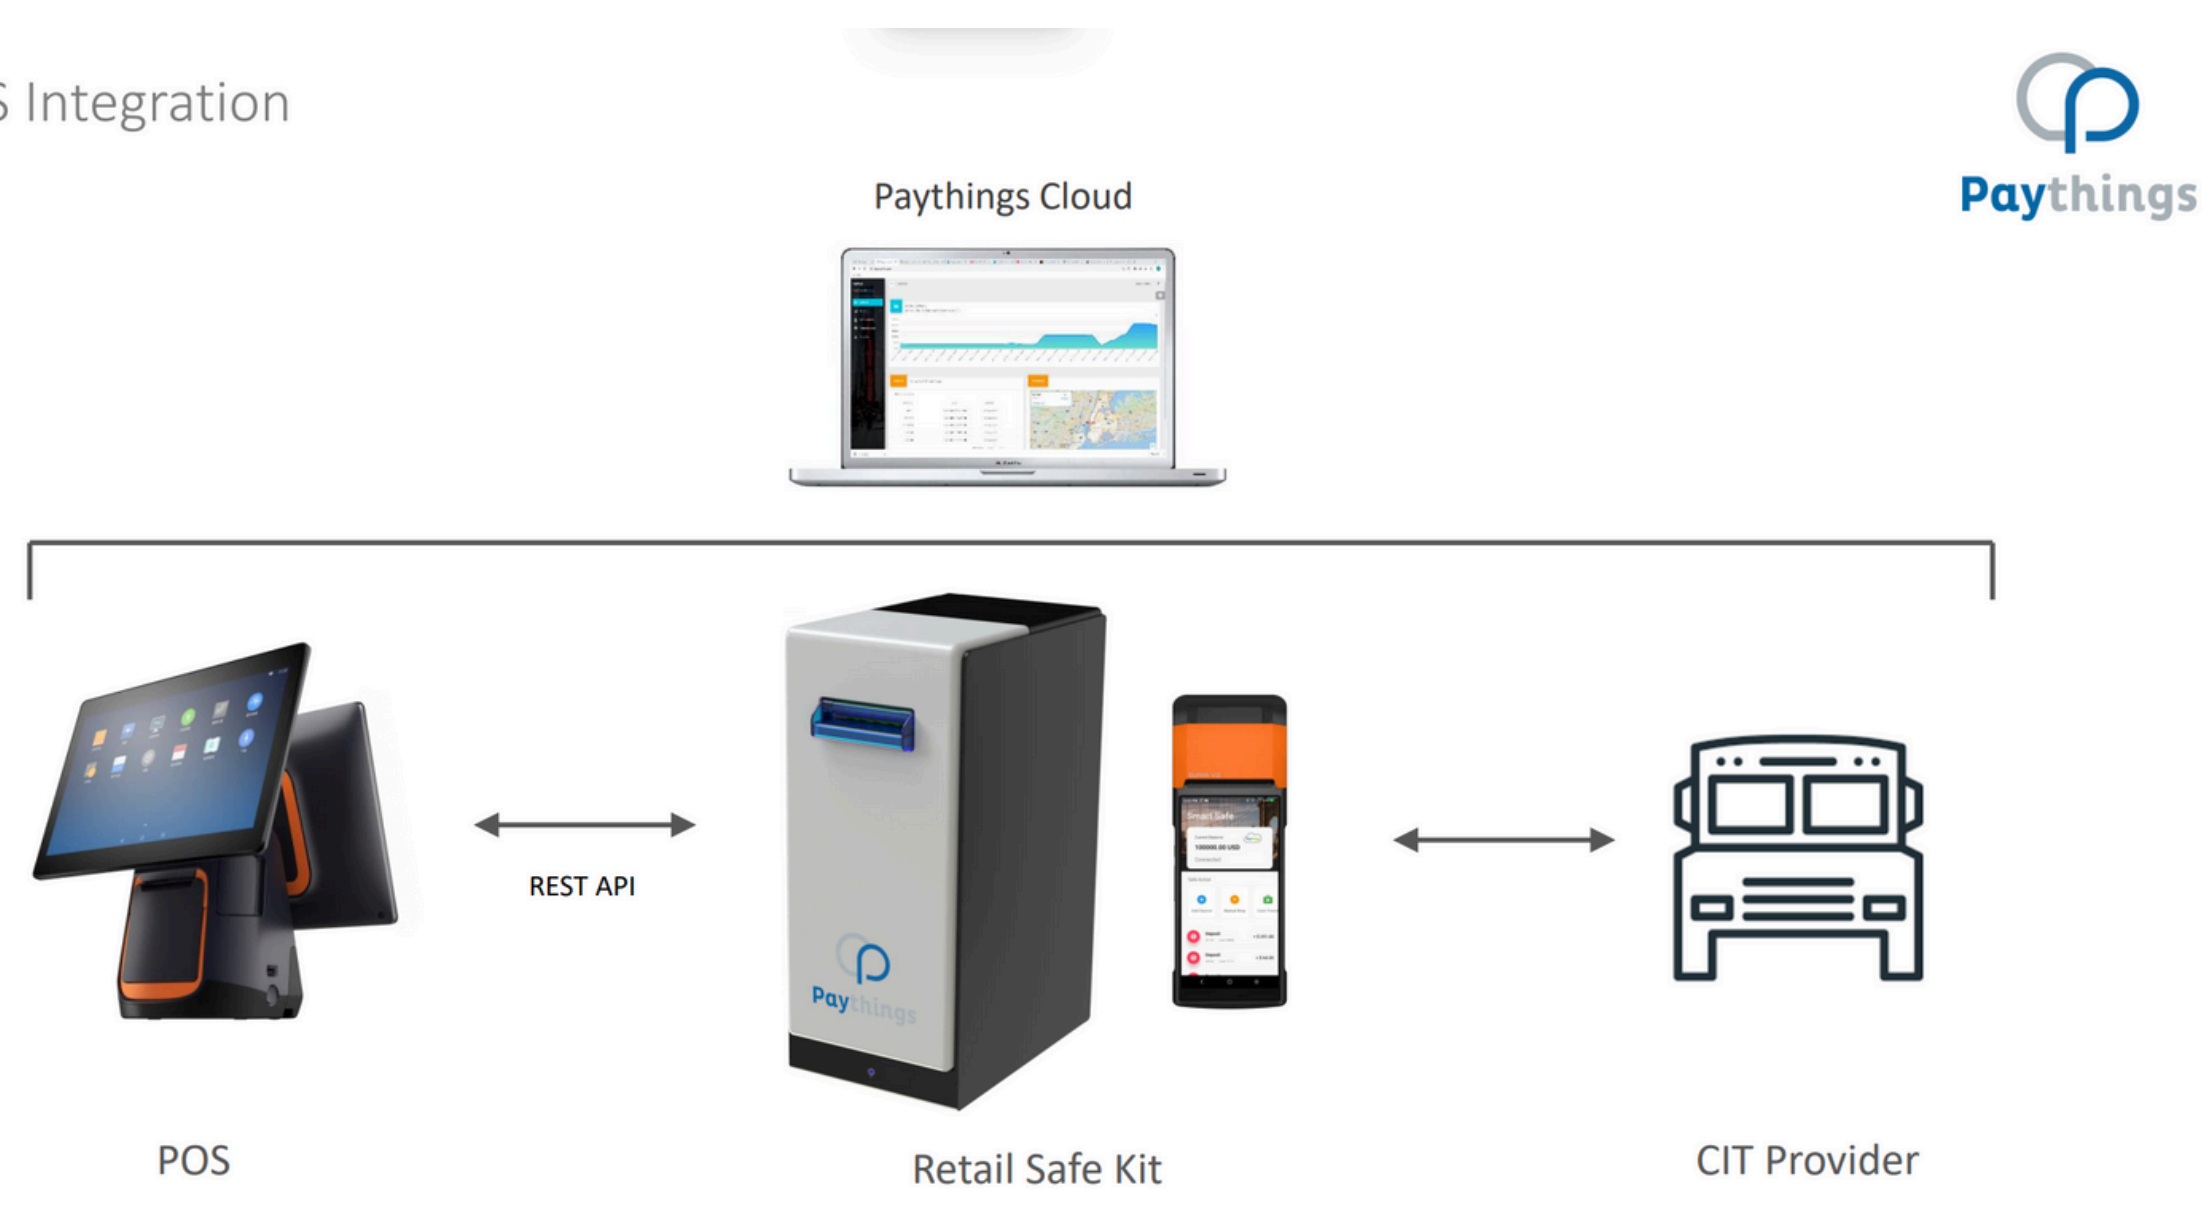

- **Real time cash monitoring**
- **1000 note/bill cash box (new notes max capacity)**
- **Ultra compact footprint with secure 6mm (1/4") steel enclosure**
- **Low cost fully-featured solution building on powerful Paythings Cloud Platform**
- **mPOS handset for printing and deposit user identification and login**
- **Simple installation with WiFi or Cellular connection**
- **Local Secure Access Point with REST API for local POS connection**
- **Fully-featured cash accounting via Paythings Cloud Platform**
